RE: Visiting Guidelines

As of Thursday, June 18, 2020 visitors will be allowed to enter the building if we remain COVID free.

Maximum of 2 visitors at one time in the apartment or outside on the grounds when physical distancing of at least 2 meters can be maintained.

No visiting or gathering will be allowed in the hallways, indoor common areas or lobbies.

VISITORS MUST WEAR A FACE MASK AT ALL Times.

Visitors must complete a self-assessment questioner and write down their contact information in case contact tracing is required due to a positive COVID case.

If you are experiencing any of the typical and atypical symptoms of COVID-19 and you do not pass the screening you are not to enter the building.

Thank you for your continued support to help keep our residents and staff safe.
