COVID-19 Outbreak declared over at Finlandia Village

At Finlandia Village we are proud to offer the safest, highest quality care possible. We are taking every action available to resolve the current situation. As a result of Public Health surveillance testing we have been notified that the outbreak is now declared over in the Finlandiakoti (block A) and Palvelukoti (block B) apartment buildings.

We commend our staff for their diligence in continuing to uphold our infection prevention and control procedures to ensure the health and well-being of all residents and employees.

We will continue to work to ensure that our residents will be provided with the care they deserve. Finlandia Village will update our residents and families with any relevant developments as they occur. We ask everyone to remember to be kind, caring and supportive. This is a time to come together as a Village.

For additional information and updates please visit the Public Health link <https://www.phsd.ca/> or our web site at [www.finlandiavillage.ca](http://www.finlandiavillage.ca) or contact David Munch by email [dmunch@finlandiavillage.ca](mailto:dmunch@finlandiavillage.ca) or by telephone 705-524-3137 Ext. 212.
